

COMMUNITY COUNCIL MINUTES 11/1/2021

Meeting was called to order at 10:03

Introductions were made of all new parent members and other community council members.

Parent members are:

Valerie Baldwin

Brittany Cousins

Rachael Phillips

Kelcie Schmalz

School Employees are:

Crystal Doty

Alicia Gubler

Additional members:

Chris Barrett-Principal

Kari Ingram-Title 1 Coordinator

Mr. Barrett explained why we have a Community Council and what duties the council has.

Community Council is responsible for State Trust Land Funds and making sure that it is accessible to schools and students and in making sure that the money benefits students and school, i.e., paras, interventions, technology.

Nominations were made to elect Community Council President and Vice President.

Valerie Baldwin nominated Kelcie Schmalz as President. That nomination was seconded by Brittany Cousins.

Kelcie Schmalz nominated Brittany Cousins as Vice President. That nomination was seconded by Rachael Phillips.

Mr. Barrett explained to new council members how Trust Land monies are used.

Budget-\$65,700

With that money we fund an Academic Interventionist, Kristi Gardner, who is doing tier 3 math interventions.

Money was allotted for a SEE student from Dixie State University. That appointment did not come through. Community Council has now requested a change for funding allocation to the Washington County School Board. It will be voted on tomorrow, Nov. 2, 2021. That money will now be utilized for technology, hardware and software for the school.

Trust Land money is also used to support the Americorp program which helps at risk children with reading.

There was a short discussion regarding the Harvest Hop and how well received it was by students, parents and families. Council is open to having more events like it.

Meeting was adjourned at 10:30am.
