

Community Council Minutes

03/06/2023

10:00 - 10:27

Welcome

Members attending:

Kelcie Schmalz
Valerie Baldwin
Rachael Phillips
Julie Wilcox
Jessica Jones
Kari Ingram
Chris Barrett

Absent Members:

Alicia Gubler
Janille Olson

Budget for next year \$74,000 Trustlands allotment:

- Paraprofessionals: \$17,000 x 2 = 34,000
- Restorative Justice Behavior Support Technician: \$35,000
- Technology hardware/software: \$5,000 we are now one to one. Can be amended as needed if money is needed somewhere else.

Comments:

- Possible funding for a para for each grade level. However, the funding is not available this year, as a .5 teacher is being funded through Trustlands as well.
- District level questions for funding.
- Flexibility to move paras around as needed throughout the day. Paras are stretched as far as possible with only a lunch break. Hiring quality paraprofessionals.

Move to vote for approval:

Kelcie Schmalz made the motion to approve, Valerie Baldwin seconded. Janille Olson was absent for vote, however, she was contacted and did approve.

Reunification Drill:

- Provide training for staff, then invite families to attend a run through drill as though a real reunification was happening.
- Community council members are willing to participate with their children.

Miscellaneous:

- Behaviors are down schoolwide
- Great school year so far, teachers are making a push toward reading on grade level.
- School Chocolate Fundraiser was very successful. Netting around \$8,000 or \$9,000.
- Safety Patrol with students. How to improve the program ideas and suggestions.
 - Possible parent volunteers
- Great involvement with Resource Officer Ricki Tuumalo.
