WELCOME: New principal for 2024-25 school year, Matthew Lowe, introduced himself.

Mrs. Ingram reviewed with the council the minutes from our previous meeting on 1/22/24.

Discussion Topics:

TAKE HOME LIBRARY BOOKS (\$50,000 was spent last year for decodable books)

MATH INTERVENTIONIST (council members asked about using monies to hire a math interventionist) Previous data did not support spending money to hire a math interventionist at this time.

Members were presented with the Present School Improvement Plan for team member signatures.

Middle of Year data was discussed.

Proposed meeting dates for next year and a tentative plan to meet in September (training and elections), November (safety and behavior plans) and February was settled on. We will continue to have council meetings on a Monday at 10:00 AM. A motion from Jessica Jones to adopt this new schedule was seconded by Jared Tullis.

Meeting was adjourned at 10:44 AM.
