Students in Crisis and Self-Harm

What is self-harm and how many types are there? Why do people do it? Evidence shows that 14 to 20% of teenagers engage in self-harm behaviors. Depression is associated with the negative things that have happened to people and anxiety with the future things people think will happen to them. The 988 # would be a great place to call or text when feeling overwhelmed. Learn some strategies on how to avoid self-harm reactions and coping with depression.
