Meeting was called to order at 9:03 AM

Mr. Lowe presented the following plans for the council:

POSITIVE BEHAVIOR PLAN

Mr. Lowe introduced information to the council regarding effect size which judges the success of influences of interventions to decide what works best in an education setting.

Panorama Values and playground rules were also presented.

SCHOOL SAFETY PLAN

Mr. Lowe explained the following points to the council.

1-Crisis team and crisis plan in place at Panorama

2-Safety Drills

3-Safe Schools Route

Principal Lowe would like to implement a letter writing campaign to get our two way stop on 350 North and 2200 East changed to a four way stop. The council would also like to see a crossing guard at 40 North and 2200 East.

The council is in agreement with these changes for the safety of students.

DIGITAL RTI AND SAFETY PLAN

Keeping students safe on technology is of the utmost importance in a school setting. Washington County School District has many measures in place to ensure student safety.

During White Ribbon Week the students and parents will be introduced to Panorama Elementary's internet and computer safety agreement to be signed by the student, parent and teacher.
